

Complete Fire Safety Solutions – Supply | Installation, Maintenance

Protecting Lives. · Securing Assets. · Ensuring Compliance.

ABOUT US

Originally established as **BS Construction** in 2017, the company expanded its vision and expertise into the fire safety sector with the establishment of **B S Fire Service** in 2023. Owned and managed by **Mr. Bakhya Bishal Kashyap (B.Tech)**, the company is built on strong technical knowledge, industry experience, and a commitment to safety excellence.

B S Fire Service is a trusted fire safety equipment supply and installation company dedicated to protecting lives and property. We provide **reliable, certified, and high-quality fire protection solutions** for:

- Residential Buildings
- Commercial Establishments
- Industrial Units
- Institutional Premises

Our Mission

“Safety First – Protection Always.”

With trained technicians and industry-compliant systems, we ensure that every project meets required fire safety norms and regulatory standards. Our goal is to deliver dependable protection systems that provide safety, compliance, and long-term peace of mind.
